Mission statement

The Whangarei Flying Club is registered at the registrar of Incorporated Societies of NZ (certificate No 1132679). The purpose of the club is to foster safe affordable recreational flying, flight training and social activities to its members.

Club Policy

1. Access to the Onerahi Aerodrome, club facilities and assets are available to all members.
2. Safety to members, public and visitors is paramount in all areas inside the main gates of the Onerahi Aerodrome. It is incumbent on all club members to monitor and report any lapse in safety or intrusion by unauthorised people onto the Onerahi Aerodrome.
3. Clubs' aircrafts are available to club members holding a current rating for the aircraft to fly. Training is available for students under direction of our club's instructors. General guidance, advice and recommendations as well as mandatory instructions is given by our instructors.
4. The upholding of these rules, regulations and restrictions is the responsibility of each individual club member. These include our club rules, Airport Authority rules and CAA rules and directives.
